**CALCULATION OF MARKS**

i. All subjects/modules [excluding Capstone Research Project] consist of two components: Assignments and Examinations. ii. Each of the two components counts for 50% of the final mark; iii. Thus - iv.  $(\text{Assignment 1} + \text{Assignment 2}) \div 2 = \text{minimum } 50\%$ .  $(\text{Average of Assignments} + \text{Exam Mark of minimum } 50\%) \div 2 = \text{minimum pass mark of } 50\%$  for the subject. Research Projects count for a full module.....
